

## Brif of Company

*Dear Valuable Customer*

*I would like to introduce our company, Al Falah For Heavy Equipment, which has been in the spare parts business for 19 Years in the Kingdom of Saudi Arabia. We are an established and popular company with an excellent track record of customer satisfaction. We have never compromised on the quality service we provide, and we believe in keeping our customers happy by offering products at very competitive prices. We have an excellent, experienced staff who will keep in touch and inform you about market trends.*

*Al Falah For Heavy Equipment, which was established in 1998 in the Kingdom of Saudi Arabia and has its main office in Jeddah, offers spare parts for heavy equipment and services to small firms and Fortune 500 companies alike*

*Our company sells aftermarket, heavy equipment spare parts of world-renowned brands, such as Dozer, Dumper, Crane, Shovel, and power generators manufactured by OEM, such as Caterpillar, Komatsu, and Cummins. Our Jeddah, Riyadh, Dammam, and Khams Mushait branches are ready to share their expertise with you*

*Our exceptional service and Technical knowhow is the reason our clients stay with us*

*Building and maintaining long-term relationships with our clients is very important to us*

***Below is a list the parts we stock and the companies who supply these parts:***

## Engine Parts

*Al Falah is an authorized distributor for IPD, a -62 year-old engineering and manufacturing company, which is known worldwide for providing high quality engine parts, such as groove connecting rods, bearings, seals, and liners for CAT 3400 series engines in the global market. IPD also manufactures induction hardened cylinder liners for Cat engines. We also carry a large range of spare parts for newer models*

## *Al Falah is an authorized distributor for Costex Tractor Parts (CTP)*

*Al Falah is an authorized distributor for Costex Tractor Parts (CTP) which has been in operation since 1980. CTP specializes in the distribution of new replacement parts for Caterpillar equipment. They are one of the largest inventories of replacement parts in the United States. They stock a complete line of parts with everything from nuts and bolts to undercarriage systems*

### *Lube, Fuel, and Coolant Filters*

*Al Falah is an authorized distributor for Donaldson, which is one of the largest and most successful high-performance filtration companies in the world. Donaldson supplies all types of filters, which offer uncompromising product quality to maintain machine life through its periodic maintenance.*
